Theatre Experience

Eugene O'Neill Theatre Center

Summer 2014

Lighting intern for the Center. Maintained four theatre spaces for the various conferences (Puppetry, Musical Theatre, Playwrights, Cabaret) and other performances. Positions included Programmer, LD, ALD, and live-lighting board op. Also included various workshops with Broadway professionals.

Drama Centre Productions

2010-2014

Crewed seven main stage productions (run, carpentry, costume, electrics). Actor and sound designer for a devised piece which played for three performances at the Edinburgh Fringe Festival in Scotland. Produced and directed one main stage production. Directed two black box pieces (one of them part of a 24-hour play fest).

Harriet Coleman Center for the Arts

2008-2010

Built and tech'd over one hundred performances and events from lectures up to main stage productions and touring shows. Areas included carpentry, rigging, electrics, hang & focus, costume construction, properties, sound design, running stage manager, and fly rail master. Also performed in eleven productions (nine musicals/music performances, two plays).
